

Protection Shoot Rules

- **Primary Shooter must shoot at a target before the Backup Shooter shoots at that target.**
- **If Backup Shooter shoots at a target before the Primary Shooter shoots at that target, this is a LOST bird.**
- **A target that is missed by the Primary Shooter, but hit by a Backup Shooter, that target is a DEAD bird and should be scored as a "B" on the scorecard.**
- **If the Primary Shooter has hit the first target and misses the second target, the backup shooter has full use of his gun (may shoot twice at the second target only).**
- **All scores are registered on the Primary Shooters score card.**
- **Primary Shooter shoots from the PVC cage**
- **Backup Shooter shoots from in the hula hoop.**
- **Targets MUST be shot as defined in the Station Menu sign**
- **A minimum of 2 teams are required at a station.**
- **No more than 2 shells in a gun at a time.**
- **Shot size 7-1/2 – 9.**
